

## 2021 Street and Utility Improvement Project Construction Update #15

### Current Events

#### **Street Reconstruction Project:**

The Contractor has continued with site cleanup throughout the week and will complete the remaining topsoil installation Friday, September 10<sup>th</sup>.

#### **Maintenance and Resurfacing Project:**

The Contractor has continued with site cleanup throughout the week.

#### **If you are a resident or property owner along Skycroft Drive and Croft Drive:**

- Please have garbage and recycle bins curbside by 7:00 AM each pickup day. The Contractor will relocate to a zone outside the construction site for pickup and return to your home by the end of the day.

### Future Events

#### **Street Reconstruction Project:**

The Contractor is anticipated to install replacement trees on Tuesday, September 14<sup>th</sup>. All replacement tree locations have been marked. **Please contact Jake Grainger no later than end of day Monday, September 13<sup>th</sup> if you have concerns regarding the tree location marked at your property.**

Following tree installations, the Contractor will complete the remaining turf establishment within the boulevard (in the form of seed and mulch).

#### **Maintenance and Resurfacing Project:**

Final restoration of the boulevard disturbed to facilitate curb replacements will be completed the week of September 13<sup>th</sup> (in the form of seed and erosion control blanket).

### Lawn Irrigation

If you have an irrigation system, please plan to turn on your system to verify the heads adjacent to the road construction area are working correctly. If you have any concerns regarding your irrigation system, please contact Jake Grainger to set up a meeting at your property.

### Driveways

If you had your driveway replaced privately, please contact Katie Koscielak as soon as possible to coordinate payment to your contractor. The City will reimburse homeowners only for the portion of driveway that was removed in order to complete the street and utility construction (this amount was communicated via email once driveway removals were finalized throughout the project).
