

## 2024 Street Improvement Project Construction Update # 11

### Current Events

The Contractor has completed final paving along all roadways. **See reverse for project location map.**

The Contractor also completed irrigation repairs. If you have a lawn irrigation system or pet fence within the City right-of-way and curb was replaced adjacent to your property, please check to see that your system is working properly. If your system was damaged due to the construction project, please contact Kate at the number below to schedule a time to have your system repaired.

### Future Events

The Contractor will continue with restoration behind replaced curb areas next week including installation of seed.

The Contractor is anticipated to complete the removal and replacement of deficient sidewalk panels within Salo Park mid-September.

The Contractor has scheduled the trail improvements within Silver Point Park to begin the week of September 4th, weather permitting. The sidewalk, basketball court and parking lot improvements within Silver Point Park to be completed following the trail improvements.

**In observance of the Labor Day holiday, the Contractor will not be performing construction operations on Monday, September 2<sup>nd</sup>.**

*The above schedule is tentative and is subject to change due to weather or scheduling conflicts.*

### Roadway Paving

Following paving of your roadway:

- Do not turn your wheels at a stop condition on a newly paved road to avoid leaving impressions in the pavement.
- As soon as the rollers have made a couple of passes on the fresh asphalt you may drive on it.

### Tips of the Week

- Please observe posted detour and warning signs.
- Slow down and watch for uneven surfaces.
- Stay alert! Watch for signs, equipment, and workers.
- Please remind children to stay away from the construction site, equipment, and stockpiles of materials.
- Access through the site may change throughout the day as construction progresses; your patience is appreciated.
