

Government Alliance on Race and Equity (GARE)  
By Charlie Yunker, Assistant to the City Manager

The city's Government Alliance on Race & Equity (GARE) team has been meeting monthly to further work on the Race and Equity Plan drafted late last year. The GARE team is part of the Implementation Cohort team that meets quarterly with the other entity's Implementation teams. The St. Anthony team's most recent group session was held in Rochester where the teams reviewed results based accountability and how that applies to furthering race and equity work. The team will also have the opportunity to attend a GARE Speaker Series event on June 14<sup>th</sup> in Brooklyn Park and will hear from Larry Hiscock of Nexus Community Partners, JooHee Pomplun of The Alliance, and (tentatively) Nelima Munene of the African Career, Education and Resource, Inc.
