

## 2021 Street and Utility Improvement Project Construction Update #14

### Current Events

#### **Street Reconstruction Project:**

The Contractor has continued with site cleanup and restoration of the boulevards this week, week of August 30<sup>th</sup>. In addition, Jake Grainger has begun staking tree replacement locations.

#### **Maintenance and Resurfacing Project:**

The Contractor has completed the remaining paving along 31<sup>st</sup> Avenue and Croft Drive this week.

#### **If you are a resident or property owner along Skycroft Drive and Croft Drive:**

- Please have garbage and recycle bins curbside by 7:00 AM each pickup day. The Contractor will relocate to a zone outside the construction site for pickup and return to your home by the end of the day.
- If you have an irrigation system that was disrupted during construction operations, please contact Jake Grainger to schedule a meeting at your property.

### Future Events

#### **Street Reconstruction Project:**

The Contractor is anticipated to continue site cleanup, restoration of the boulevards and tree replacements throughout the week, week of September 7<sup>th</sup>.

Jake Grainger will continue staking tree replacement locations throughout the week. Please contact Jake to discuss the tree locations at your property as soon as possible.

#### **Maintenance and Resurfacing Project:**

Final restoration of the boulevard disturbed to facilitate curb replacements will be completed the week of September 7<sup>th</sup>.

### Tips of the Week

- Please observe posted detour and warning signs.
- Please do not park vehicles on streets under construction.
- Following paving of your roadway:
