Dear Ms. Marilyn Sanders,

The City of St. Anthony is committed to forming a Complete Count Committee (CCC) supporting the US Census Bureau's goal to have every resident of St. Anthony accounted for during the 2020 Census.

We believe it is important to have residents involved with educating each other on what the Census is and the importance of participating.

We met with Jim Accurso in January of this year, who provided us guidance and explanation of what a Complete Count Committee is and the goal of the committee. We have a few residents who have volunteered to Chair our committee and are attending training soon.

We look forward to helping promote the messages of the U.S. Census Department to make sure our residents are counted.

Sincerely,

Jerome O. Faust
Mayor
