Re: 2022 Street and Utility Improvement Project  
Public Informational Meeting  
City of St. Anthony Village, MN  
WSB Project No. 018118-000

Dear Resident/Owner:

The City of St. Anthony Village invites you to attend a public informational meeting to discuss the proposed 2022 Street and Utility Improvement Project. This meeting will be held at City Hall on Wednesday, September 15, 2021, at 7:00 p.m., in the Council Chambers. All attending the in-person meeting will be asked to wear a mask. Should you prefer not to attend the meeting in person, please login remotely by using the following Zoom meeting link to access the meeting:

Meeting ID: 977 4871 2896  
Password: 923032

It is anticipated that construction will commence on the project in late spring/early summer of 2022. Prior to completing design, the City would like to provide residents and business owners an opportunity to provide input and ask questions regarding the project as well as learn more about the proposed assessments.

The formal notice for the property assessments and the public hearing will be sent to you under a separate letter in February/March of 2022. We will be happy to answer any of your questions regarding this year's proposed street reconstruction projects on September 15, 2021.

If you are unable to attend but have any questions, please call me at 651-286-8465.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin Messner".

Justin Messner, PE  
City Engineer
