Re: 2022 Mill and Overlay Improvement Project  
Public Informational Meeting  
City of St. Anthony Village, MN  
WSB Project No. 018118-000

Dear Resident/Owner:

The City of St. Anthony Village invites you to attend a public informational meeting to discuss the proposed 2022 Mill and Overlay Improvement Project. This meeting will be held at City Hall on Wednesday, November 17, 2021, at 6:00 p.m., in the Council Chambers. All attending the in-person meeting will be asked to wear a face mask. Should you prefer not to attend the meeting in person, please login remotely by using the following Zoom meeting link to access the meeting:

Log on to <https://zoom.us/join> and enter:

Meeting ID: 996 3076 9399  
Password: 438257

It is anticipated that construction will commence on the project in late spring/early summer of 2022. Prior to completing design, the City would like to provide residents an opportunity to provide input and ask questions regarding the project as well as learn more about the proposed assessments.

The formal notice for the property assessments and the public hearing will be sent to you under a separate letter in February/March of 2022. We will be happy to answer any of your questions regarding this year's proposed street overlay projects on November 17, 2021.

If you are unable to attend but have any questions, please call me at 651-286-8465.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin Messner".

Justin Messner, PE  
City Engineer
