Bids were received for the project on February 2, 2022, and it is anticipated that construction will commence on the project in the summer of 2022. Prior to the awarded construction contract and beginning construction, the City would like to provide residents an opportunity to ask questions regarding the construction as well as the proposed assessments. The preliminary assessment roll is included.

The formal notice for the property assessments and the public hearing will be sent to you under a separate letter. We will be happy to answer any of your questions regarding the proposed street reconstruction projects on April 6, 2022.

If you are unable to attend but have any questions, please call me at 651-286-8465.

Sincerely,
